1. In consideration of the agreed-upon fee schedule, payable upon invoice, Cleveland Marine (CM) agrees to apply a shrink-wrap boat cover ("Cover") within a reasonable period. CM will not refund the owner or have any other liability or obligation if the application of the Cover is delayed for any reason beyond its control (including without limitation, inclement weather).
2. The Cover will be applied in accordance with industry standards. CM will not be responsible for Cover failure, whether arising from weather conditions, theft, vandalism, or otherwise, and whether such failure consists of rips, leakage or breakage of hardware coming in contact with the Cover, or other conditions.
3. CM is not responsible for any damage the Cover or application process may cause to the hull or topsides of the boat.
4. CM reserves the right to refuse to cover any boat due to boat conditions.
5. The owner is responsible for removing and discarding shrink-wrap material at the end of the season. Upon request, CM will remove and discard the Cover at the owner's expense.
